

Jed Knott

Dear Knott Head,
Don't let the name fool
ya, just because you are.
(I'm only kidding) We've
gotten along pretty good
these last few years. I
really don't know why, but
then I can't have every-
thing. I hope you
don't mind me stealing
your "goodies" which your
mother has so kindly
placed in your lunch.
If it wasn't for you I
would have starved.
See ya in the summer
and don't come over unless
your invited!

Lots of Luck
when you
drive in your
"BOMB" I wouldn't
want you to
kill yourself.
Take it Easy,
Joene

Dedication

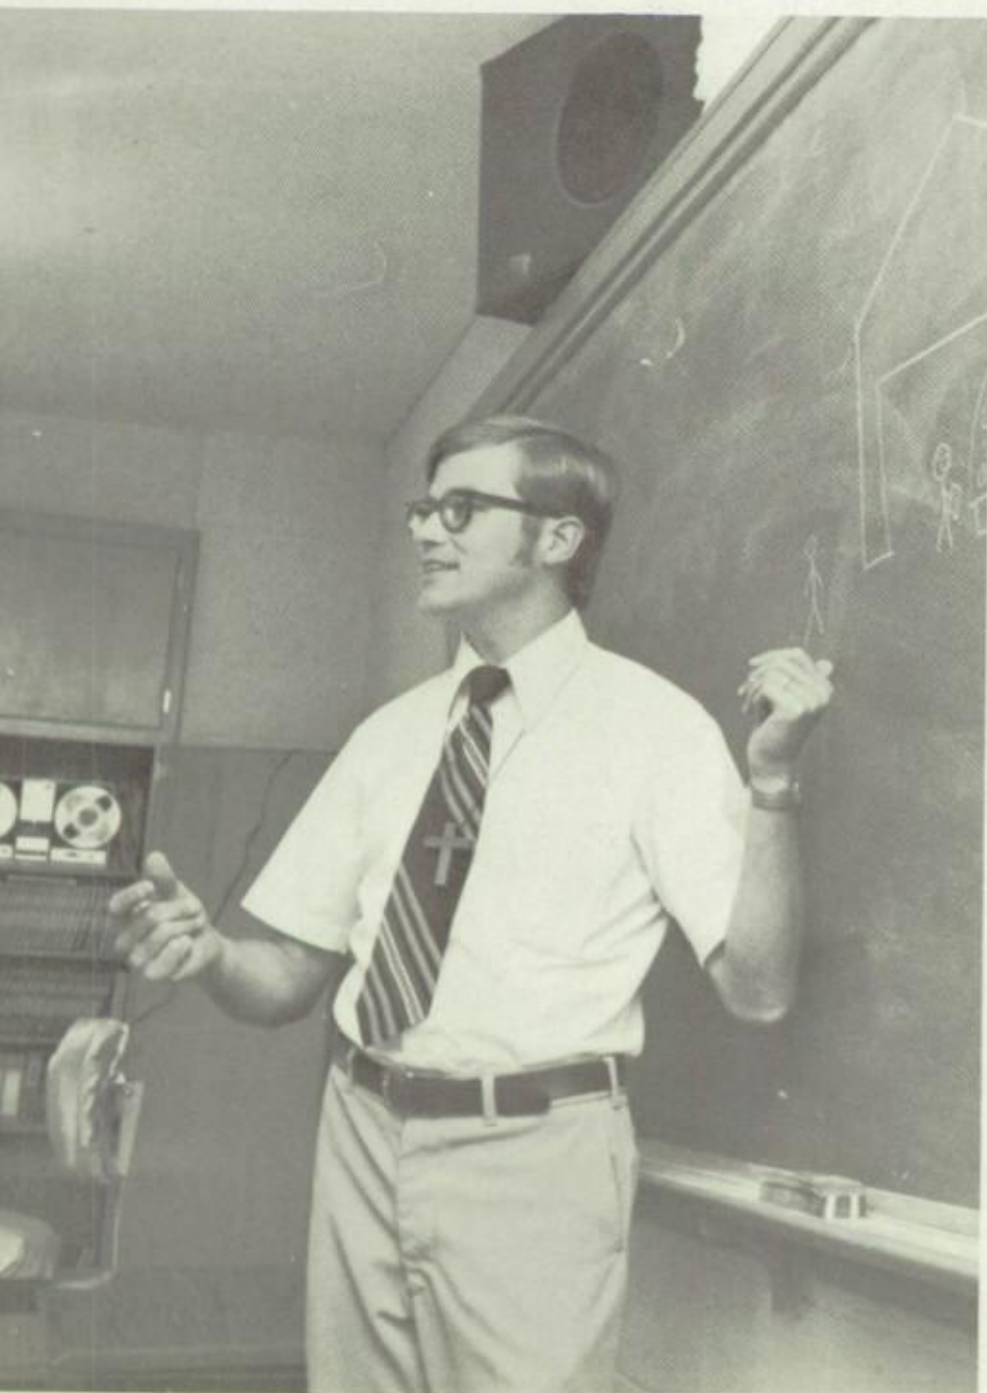

*When I am forgotten,
as I shall be . . .
Say I taught thee.
Shakespeare's Henry VIII*

The staff of the 1977 Citadel dedicates this book to our advisor, Mr. David Miller, the man who suffers the most when Citadel' deadlines approach. We thank him for being so patient with us and for the many years of unlimited love and dedication he has shown to Lutheran High, its students and faculty.

Mr. Miller came to L.H.S. in 1965, and teaches German and English IV. His students will never forget his artistic talent, clip-on ties, in-class book reports, Schnitzelbank, or Grendel. Mr. Miller has devoted many hours to the Citadel, advising the staff since 1969. His strong spiritual character is demonstrated both in class and as advisor for the Found-Lost. May the Lord bless you, Mr. Miller, as you have been a blessing to us.

"Nothing, whether great
or small, which is under-
taken in the name of
the Lord can fail..."

Raymond of Aquilers,
Chaplain of the Crusades†

The ideal teacher
is: One who
strives to help
his students gain
some knowledge
(religious and
secular) upon which
to build his
future.

THE IDEAL TEACHER IS

1. one who does not overload students with homework, who is easy to understand and makes things relevant to our age group, one who is not living in the past.
2. a teacher that can communicate with the students and understand the things that students do. Also a teacher that does not hold anything against them for holding different beliefs or having different ideas.
3. a teacher that works closely with students.

Mr. Michael Aurich, Alias, Augie.
Secret Ambition: To be as big as Mr. Lowe.

Mr. James Bartz, Secret Ambition: To be a cheerleader. Pet Peeve: Students with airtight excuses.

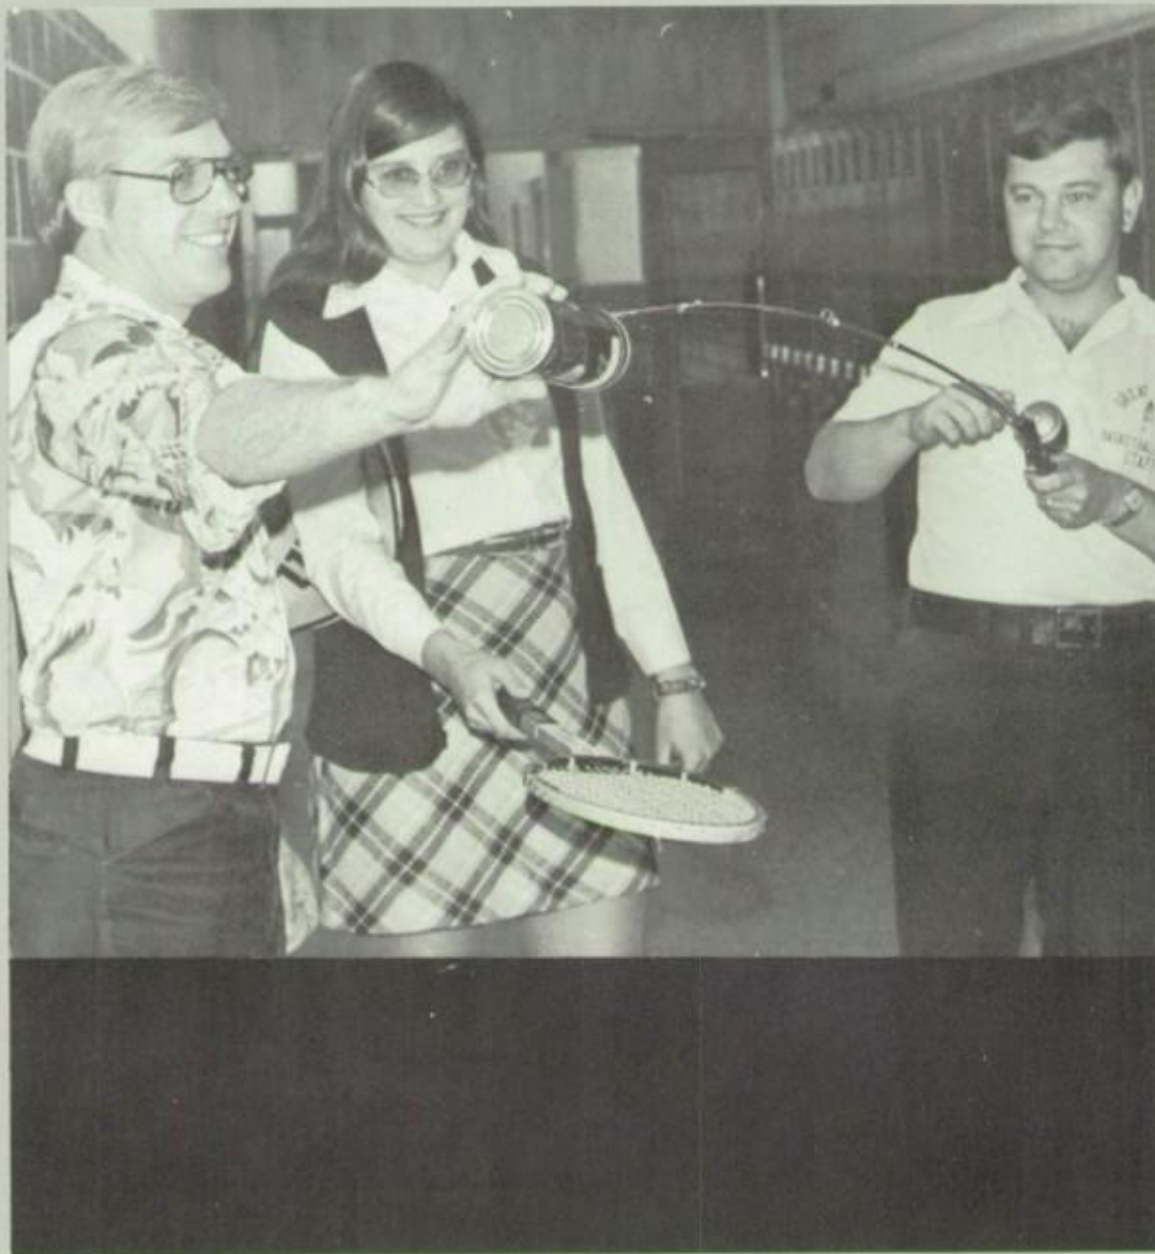

Mr. Richard Bode, Secret Ambition: To build a mountain retreat.

Ambition: To be Betty Crocker

Mrs. Doloris Hinkelman Hero: Albert

THE IDEAL STUDENT IS:

1. someone who respects both teachers and students, is friendly, considerate, kind, helpful, and understanding to everyone he comes in contact with, without becoming conceited. Also, he participates in school activities, both sports and clubs.
2. a student that cares enough about the school to be involved and tries to do the things he is supposed to do.

THE IDEAL TEACHER IS:

1. a teacher that cares about his work and about his students and is willing to change if necessary for the good of the school.
2. one who loves to teach, and has a sincere desire to teach in a Christian school, and who makes evident his/her faith as fully as possible.
3. a person who cares about his students and is willing to be a friend to them yet is strict enough to enforce learning.

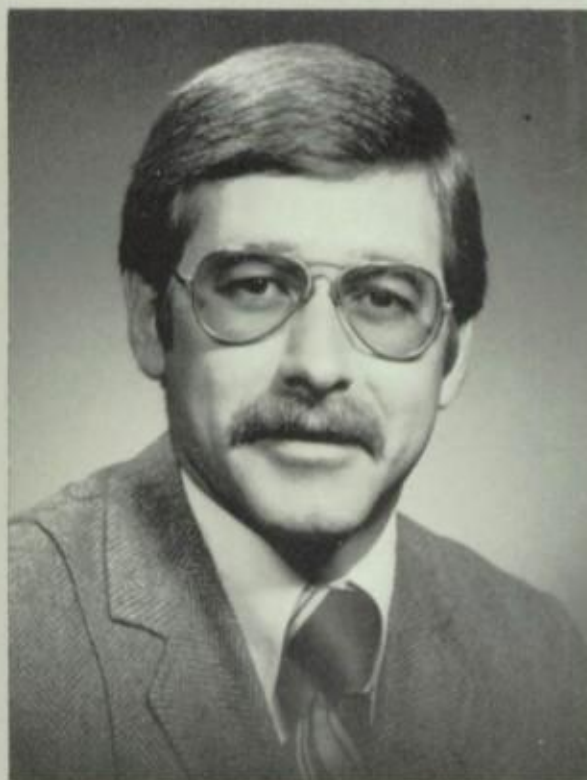

Miss Kathy Karnes, Philosophy: Do the best you can in all you do to the glory of God.

Mrs. Sally Kruschke, Secret Ambition: To gorge myself in a really filling and fattening dessert.

Mr. Milo Lombard, Philosophy: If life is just a bowl of cherries, why am I stuck with the pits?

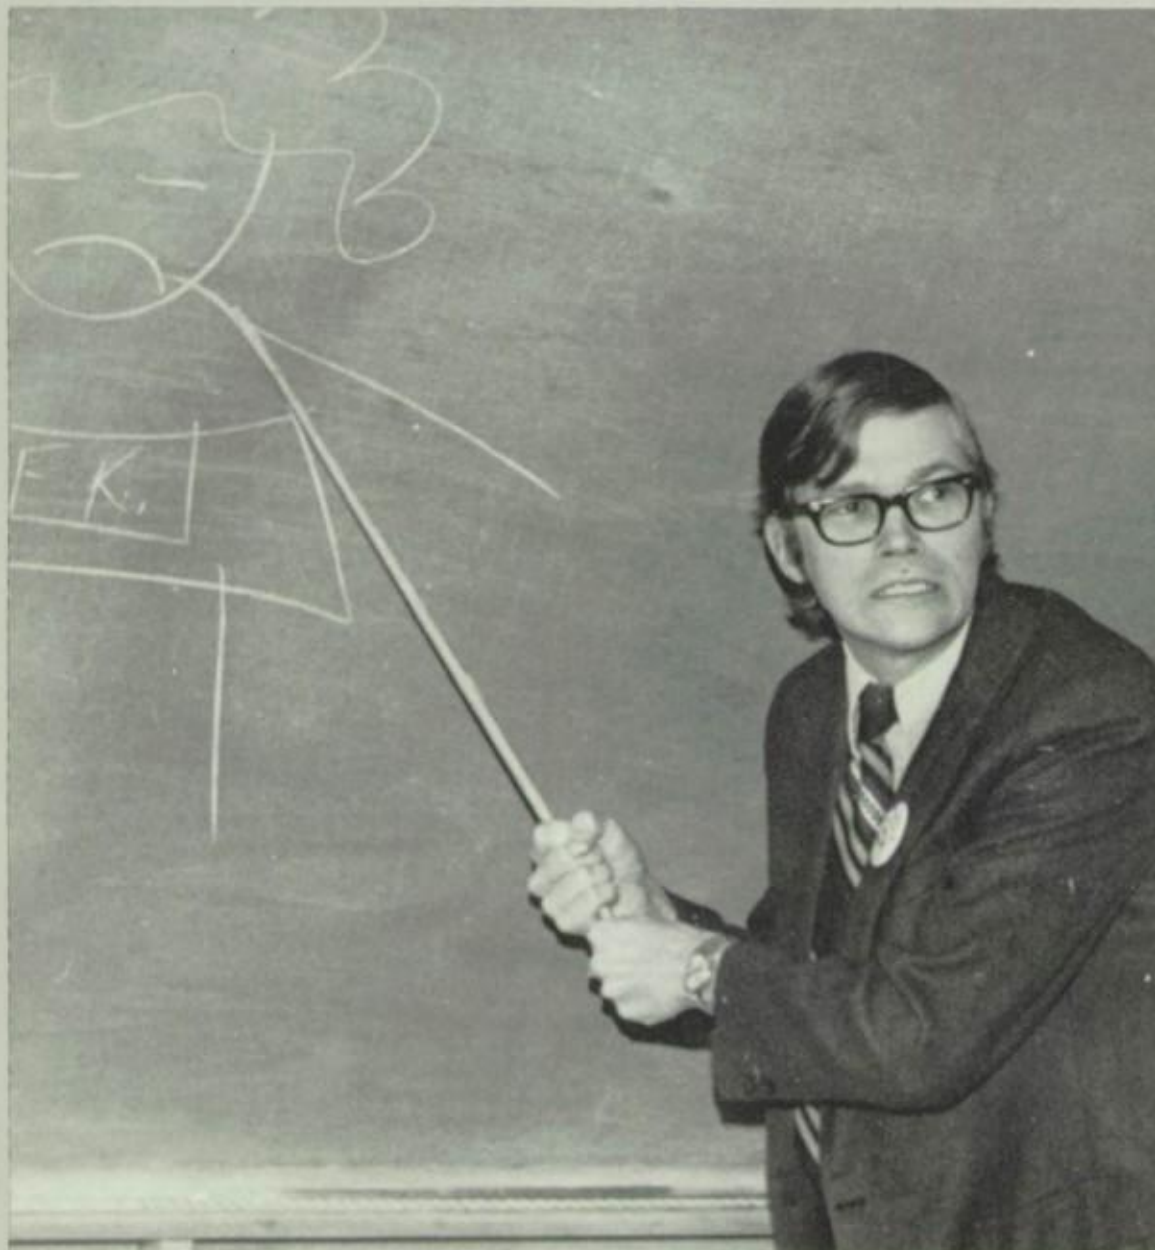

Mr. Randy Lowe, Alias, "Dolf." Secret Ambition: To be as big as Mr. Aurich. Hero: Mickey Mouse.

Mr. Alfred Markworth, Pet Peeve: Filling out dumb questionnaires. Hero: David Wilkerson.

Mr. David Miller, Alias, "Herr." Secret Ambition: To perform "Macbeth" in a one-man show.

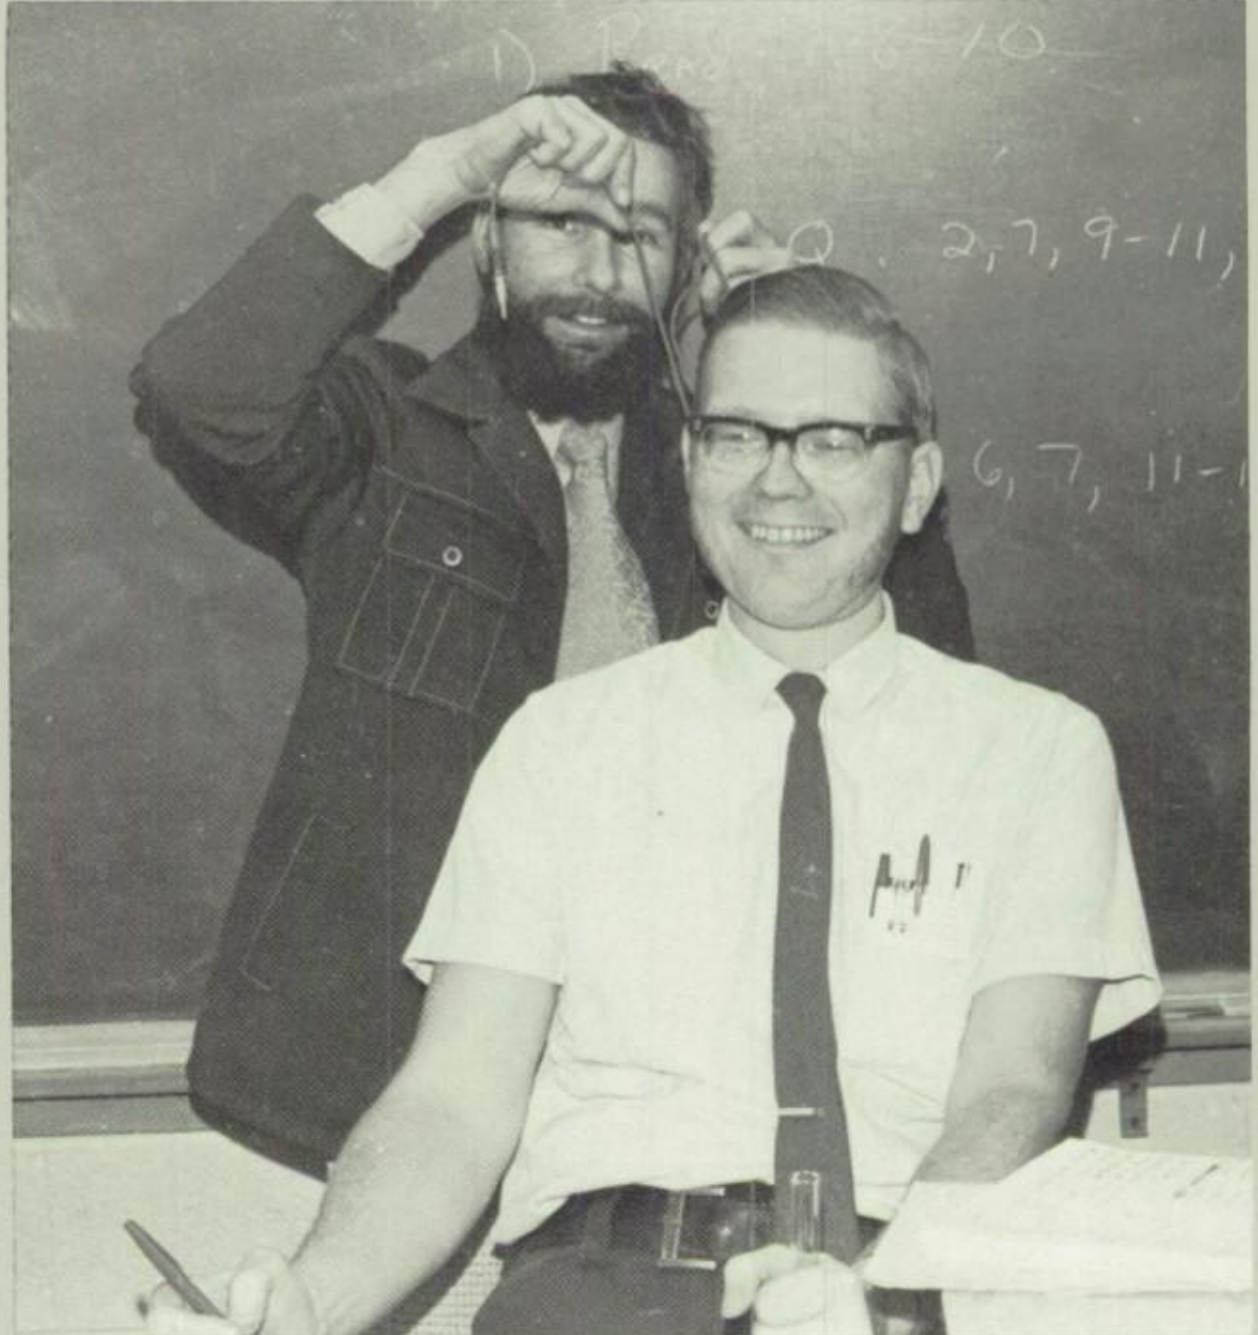

THE IDEAL STUDENT IS:

1. Academically good, sports involved, a Christian and a friend to everyone and teachers, not just a specific group.
2. A person who is respectful and does his work and does not bother anyone to get in good with other students.
3. A person who is trustworthy, respects his elders, and is polite, kind, and considerate.

THE IDEAL TEACHER IS

1. Someone who can control the class without becoming a "policeman," gets along with other teachers and students, is not hostile or openly prejudiced against any student, honestly tries to understand and help students, (and makes it as exciting as possible). Activities in Action

The 1977 Citadel Staff would like to give special acknowledgement to all those people who dedicated their time and energy in service to the clubs of Lutheran High School.

Homecoming

"KNIGHTS IN WHITE SATIN"

On the eve of January twenty-ninth, Lutheran High went back to the time of knights, fair ladies, courts and castles. Under the able management of Judy Kammerait, the Homecoming chairman, our school was transformed into a land of chivalry. The reigning king and queen were Bob Naegeli and Kelli Ehrick. The ladies in waiting were Pam Raboldt, Barb Bricker, Pam Bartz and Lynn Rosenberg. The gentlemen of the court were Sir Don Kuhns, Sir Chris Stevens, Sir Jon Wellna, and Sir Jon Hanson. Homecoming 1977 was a trip back to fantasy-land - which will be remembered for many years to come.

Jeff, (Stubborn)

I'm going to call
you Stubby!
Ha! Ha!

I haven't known you for very long, but I feel as if it's been a year. Since you're going to be my brother-in-law, (Sue's my sister) we should get even closer. Don't feel bad about your car, we all love it. This summer should be a blast, everyday. We should all start making plans, I don't want to sit around. I wish you luck with Sue, take care of her, she's sweet.

a friend always,

The Laboratory that became a Landmark.

The Johnson Wax Research Tower, designed by Frank Lloyd Wright and completed in 1950, is recognized as one of the Seven Wonders of American architecture. Its architectural significance has made it a Wisconsin landmark.

But it is more than a historical landmark. It is a working laboratory where scientists guard the qualities that have made Johnson products the household standard around the world. And these scientists are seeking and testing new ideas and concepts which will lead to superior new products for better and more pleasant living tomorrow.

would like to give special thanks to Ken
for service above and
beyond the call of duty.

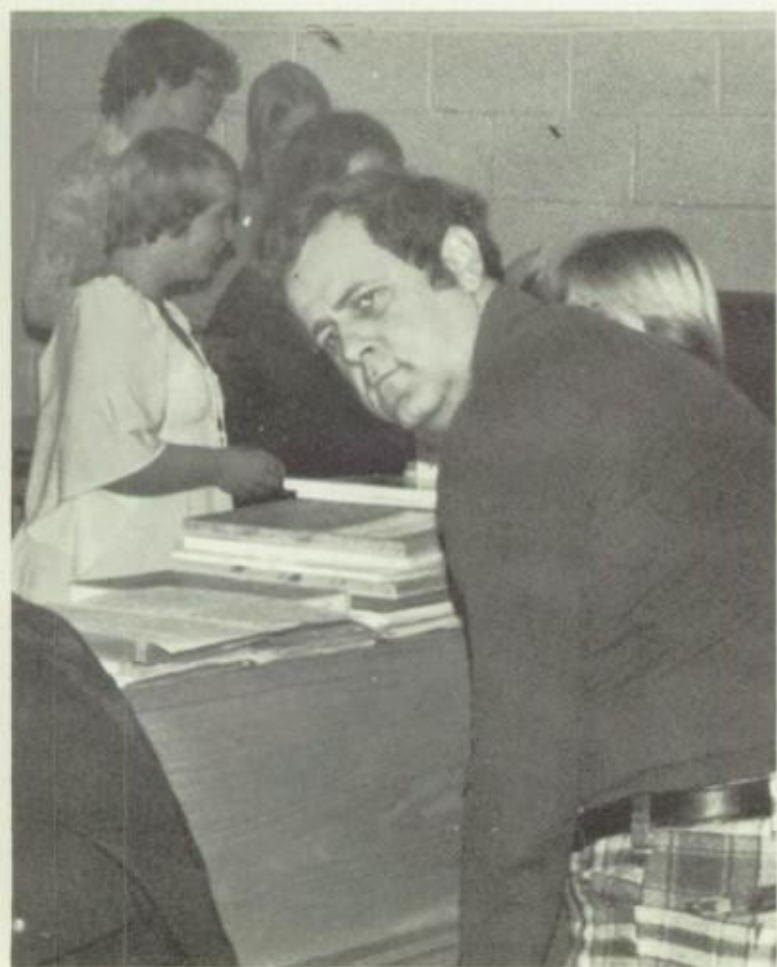

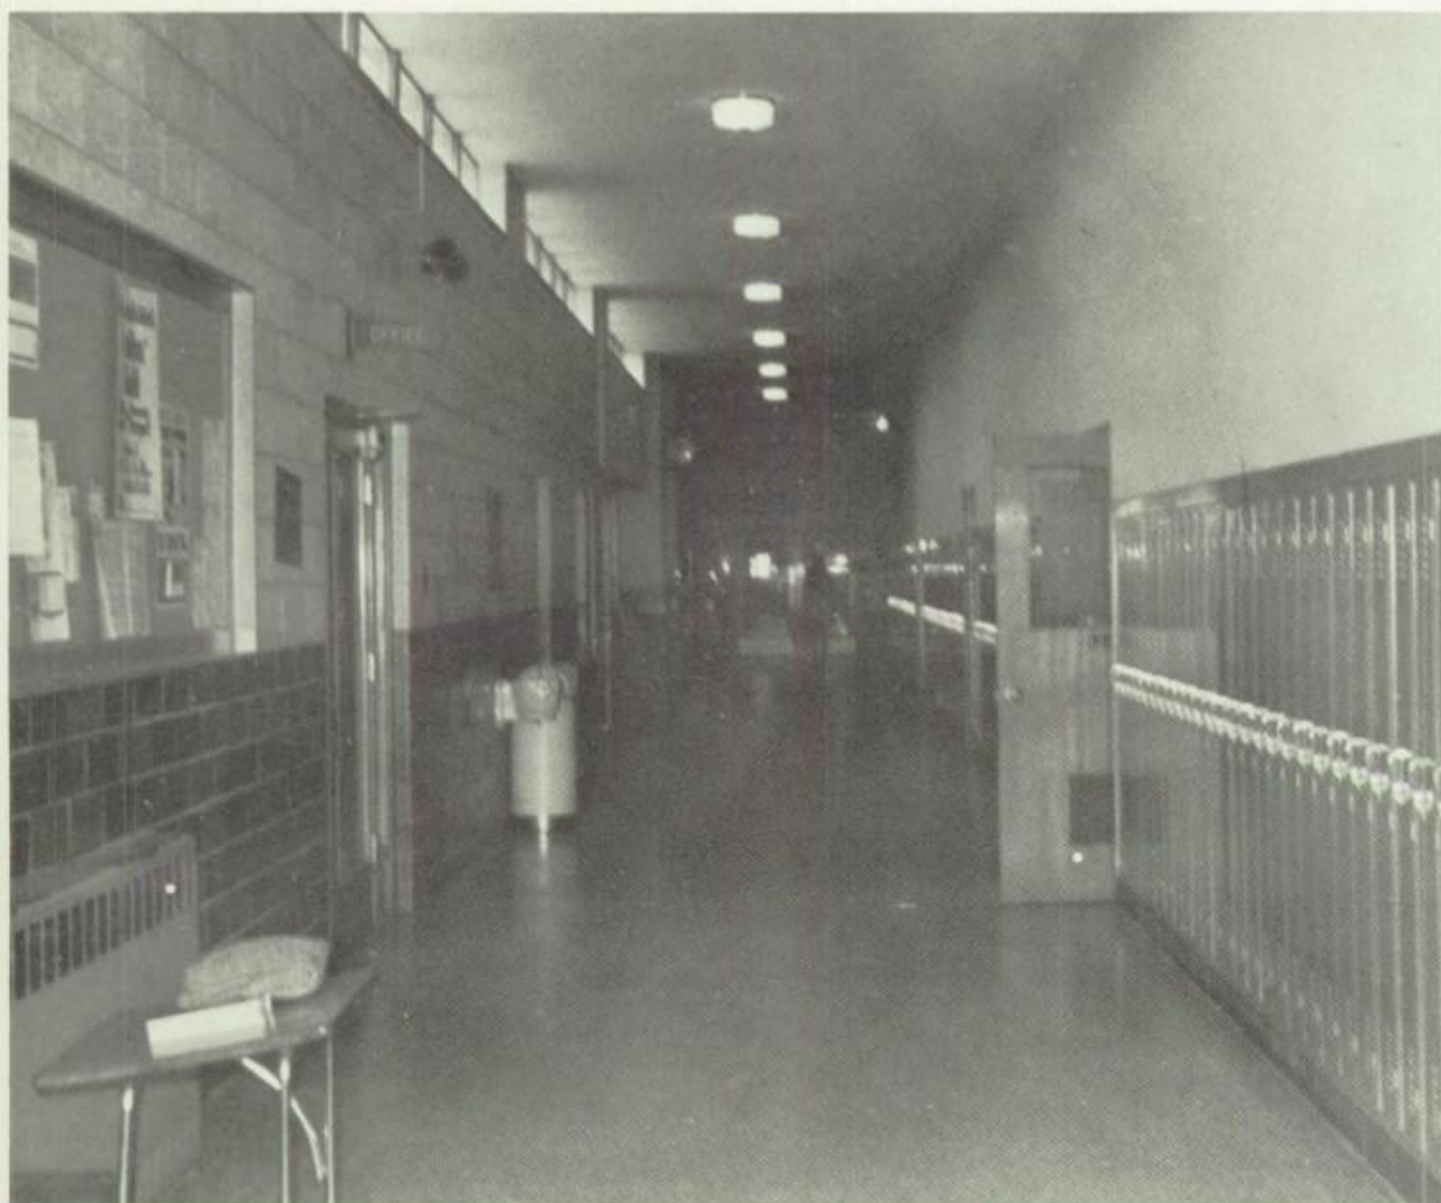

Jeff.

I'm really glad that you are in my English class, coz without you it would really be bad. Hope we get in more classes together next year. Have a great summer, and don't party too much.

Howe, Sue

P.S. Try keeping awake in biology & English
Okay? (Just teasing)

Finis.

Being the last.

In which this true
history is brought to
a happy conclusion.

Jeff -

I'm really glad you're
in religion. You make it
lots more interesting! That
class needs help! I think
you're really nice + I hope
you have a great summer.
Stop out sometime.

Love,
Jenny

Don't let
that come you don't come to
Park in any more? Jim was you
running over the carpeting on the
runway. He knows I got ahead
at for that. Thanks a lot! Did you
well find out that my little
cousin Linda was making in
love with you? I don't know
what she has in you but I
must admit that sometimes
you did look pretty damn good!
I can't really remember when
but I know that once or twice
you have was clean + confident
which really shocked me! (only kidding)
well going to have to say sometime
that that I have my luck! The
best year too! Pick me up in the
summer sometime + well go over in
you are so lucky in English class
that I can't believe it! Mr. Lewis
you must think that you're a good
player! He must not watch the
game too closely! (just kidding) well
take care + hope to see you
at some parties this summer!

Love ya -
Arend

Jeff,

Boy, its such a shame we don't have
any classes together. we could just sit
there and laugh at you, cause
you'd be so stoned. well take
care and have fun partying
this summer.

Love
Nancy

Jeff,

Im glad I had the
chance to get to know
you but next year
I will have to get to know you
better because this year has been
going way to fast for me. I hope
next year I will be in some of
your classes too. Well have a
great summer and try not to
do to much party'ing. O.K.?

Love
Kathy

Jeff
I wish we could
of had some classes
together. maybe we
will next year.

Thanks alot for
the rides you gave
me in your VW.
We'll have to go
racing one nite.

You should come
into park - in more

often - but dont
bring so many people!
But, park-in is just
one rip-off, so you're
better off going to
McDonalds.

Im glad we're friends.
We'll all have to get
together over the summer.

Stay cool -

Love -
Rhonda

Jeff -

It's been fun getting to know ya..
I still wish you would have told me
~~what~~ what you told Bob. I just hope
that when your old + grand + still
driving around in your Bug you'll
think of the time we got seven people
in it. Take care in the future and
stay cool.

Love ya,
Cindy

Jeff,
I've known you for a
long time, not too long but long enough to know you).
we had a lot of good times together & hope to have
more. Don't party too much & don't get into too much
trouble. Thanks for all the rides you given ~~me~~ me.
we have to get ~~serious~~ together this summer & do some
serious partying, see who can handle more. Sorry
about eating some of your snacks at lunch time but
it was hungry. See ya next year & the years to
come. Hope to be friends always. Stay as sweet
and nice as you can be sometimes. History class
is a joke, either your sleeping ~~or~~ your stoned.
I hope you & your "BOMB" ^(car) will get along real
well. See ya over summer vacation.

Love,
Cindy (Sholtzie)
as Bartz
says

English class just
wouldn't be the same
without you & Mr. Amuck
carrying on a conversation
in the middle of class. I
guess it's true when they
say "you shows in mysterious
ways." I'm only kidding.
I guess I'm just jealous because
you get to sleep through class.
I know I'll probably see
pretty much of you this
summer (like at Wedder's
parties) - they're great! Stay
as sweet & nice as you are.
You're a great friend to have.
Take care & behave. (try)
Love,
Hale

Jeff,

You are sweet and sexy, and
sometimes a KNOTT HEAD!
The "sometimes" don't count. Thanks
for all of the rides in your
car. We'll have an excellent
summer, you just wait. I hope
we can become even closer
than we are. I really want to
know you. Take care of yourself
when you're in your car! Behave!
Love,
Susie (Sneezily)

Jeff,
well, I guess this year
has been pretty excellent. We
only have about 1 class to-
gether. Maybe next year
we'll have more. I really
don't know ya to good,
but what I do know
about ya, you're an
alright guy. Maybe I'll
see more of ya over
vacation, but if I don't
try not to get into to
much trouble. Take care &
stay sweet!

Love

Stacy

P.S.
I love you!!!
Just don't let it...
fall apart!

So my dear love brother,
I've enjoyed my second
year of English with you
except for 1 thing....
I was kicked out
more than I participated
in that class. You still
haven't taken me on that
hot & heavy date that
only you & I along with
Amick & the rest of the
class know about.
Let's not lose contact
like we did for the
percentage of last
summer OK?

Love ya
always,
Ja

Jeff, It was fun
getting to know you
this year. You, mo-pet
wide, meyer, and ever-

I hope all of us can
have a blast this
summer. ^{ha} Also you
better quit trying to
run me over in the
morning, because some
day your bomb is
going to fall apart
when you hit a bum
I hope to see you
at ~~guides~~ palace
soon.

Love.
Paula.

It has been alot of fun (so far) ever since us girls (Paula, Carolyn, me) have been hanging around. You are so weird sometimes. You can get a party going, (sometimes). I bet ya one of these days that old junker is going to fall apart piece by piece untill only you and your ~~car~~ steering wheel are left. Everytime I ride in it I get nervous because I think its going to have a nervous break down. I hope this summer will be fun for you. (knowing you, you'll party every day.) I hope there will be one day that I'll see you sober. Even though I haven't known you for long, you have been a swell pal. I hope we can get to know one another a little more. Good-luck in the future.

P.S. See ya
at the next
party.

Dorome
